

LIFE EXPERIENCES

I am Dr. Anju Bali Pandey Associate professor D.A.V PG in College History Dept. dehradun How I have achieved my goal of becoming A professor is a difficult question since my childhood I was a very Hardworking and ambitious. My father professor A.N. Bali was head of B. Ed Dept. D.A.V. PG College Dehradun. My mother was also a teacher in welhom school Dehradun. My maternal Grandfather Badrinath chibber was the 1st principal of D.A.V Inter School/College which was later converted into D.A.V PG College Dehradun. My paternal Grandfather T.N. Bali was the Headmaster of School in pesawar [now in Pakistan]. As I have already said that since childhood i was very ambitions and work hard to become what I am today. My life journey was not very smooth because after doing my class 10th T.C.S.E Board from Saint Thomos School in join Convent of jesus and mary to do my class 12th as i had come to C.J.M from another school I had to face many challenges. My teachers tried to demoralize me. They even tried to degrade me but I was very determinant. As there were Environmental Difference between both the School. Convent of jesus and merry was difinetly and is hishly reputed institution in Dehradun. I had to prove my intelligence and caliber which I did by securing very high marks in history and phycology in fact i was the topper in both the subjects the two year in convent were full of struggle afte passing out with flying colours from C.J.M i did my Graduation from M.K.P PG College Dehradun were again I studied very at that time I was teenager but I was not interested in anything accept my book. When and girls use to skip college to see movie and enjoy in bajars I use to sit in library. Was the case when I did/ I Got a silver medal from the univ. for seearing 5th position in university and a Gold medal for securing highest

marks in History in the university. After this did my P.G from D.A.V College Dehradun. I worked very very hard studying for 10to12 hour per day I secure 1st position in the the university by se curring 72% marks where I broke 30 years Records of the university I was awarded a Gold medal and National Scholarship to pursue my M.A Degree. After Doing my P.G I went to J.N.U Delhi to pursue my M/ phil [Research work] the two years in J.N.U were again of struggle where i worked hard staying in the hostel away from home was very difficult for me as I left my home first to pursue my research work . Though the Environment in J.N.U was very congcnial in avery short time I adjusted and start writing my reserch paper which were published in the journal. As soon I completed my M. phil I was oppointed as a lecturer [history] in D.A.V PG College Dehradun. I completed my ph.D also from J.N.U since the last 30 year I am teaching in D.A.V PG college dehradun during this spand of time I was in the proctoral board, control Room, placement cell, I G N O U and I Q A C. Presently I am asso. Proft , Academic counseller of history in I G N O U and member of I Q A C .

I have been Awarded several award-
